

For children, they should never read the Koran (the most holy writing of Islam) or the Haddith (the second most holy writing of Islam). Why? Because both of those so-called sacred writings contain so many vulgar descriptions that they should be noted as not R-Rated, but rather X-Rated. The author Muhammad wrote many fleshly descriptions of women that would burn the lust of any man. The two “holy” books claim that when a person dies for Allah, then that same one will enjoy a harem of women and a market of men! No wonder that a Muslim wants to kill himself in order to reach the lustful bliss of sex. Is such a heaven considered to be sacred and holy?

1) Muslims will gain virgins having large “swelling” breasts in Paradise:

“But, for the God-fearing is a blissful abode, Enclosed gardens and vineyards; and damsels with swelling breasts, their peers in age, And a full cup: There shall they hear no vain discourse nor any falsehood: A recompense from thy Lord—sufficing gift!—Lord of the heavens and of the earth, and of all that between them lieth—the God of Mercy! But not a word shall they obtain from Him” (Koran 78:31-35).

2) Large-eyed virgins are awaiting Muslims in Paradise:

“But the pious shall be in a secure place, Amid gardens and fountains, Clothed in silk and riches robes, facing one another: Thus shall it be: and we will wed them to the virgins with large dark eyes:...Therefore wait thou, for they are waiting” (Koran 44:51-59).

3) Women’s virginity will be automatically restored after each encounter in Paradise:

“Unfailing; unforbidden, and on lofty couches. Of a rare creation have we created the Houris (damsels), And we have made them ever virgins” (Koran 56:35).

4) Muslims will enjoy drinking wine (which was forbidden—Koran 5:90) in Paradise.

“A picture of the Paradise which is promised to the God-fearing! Therein are rivers of water, which corrupt not: rivers of milk, whose taste changeth not: and rivers of wine.

5) Muslims will have 72 virgins in Paradise:

“The least for the people of Heaven is 80,000 servants and 72 wives, over which stands a dome of pearls, aquamarine and ruby” (Hadith number 2,562 in the collection known as the Sunan al-Tirmidhi).

6) In addition to the 72 virgins, men can take pleasure at a free sex market of men and women in Paradise:

“The Apostle of Allah (Muhammad) said, ‘There is in Paradise a market wherein there will be no buying or selling, but will consist of men and women. When a man desires a beauty, he will have intercourse with them’” (Hadith, Al Hadis, Vol. 4, p. 172, No. 34).
